## Ohio Premium Beef

A product that supports Ohio's Agriculture. This product is made possible by the combined efforts of The E.R. Boliantz Co. and the Ohio Proud Program. The E.R. Boliantz Co. has built its reputation on Integrity and Credibility. We will continue to offer the highest quality beef possible. Ohio Premium Beef must be grown and grain fed to meet all USDA quality grade standards of Prime and Choice beef for the best taste and tenderness.

Experience it for yourself!

## **E. R. Boliantz Co. and OHIO PROUD Joined Hands and Good Things Are Happening for Everyone**

The E. R. Boliantz Co. is the first Ohio Company to offer **Ohio Premium Beef**, to retailers and consumers. This program was developed in conjunction with the Ohio Department of Agriculture to build recognition for Ohio Agriculture, and the Ohio Beef Industry. Our relationship has proven to benefit many Ohio Family Farms. Our cooperative efforts are a labor of love for farming, and the meat industry.

### **More than A Slogan**

The E.R. Boliantz Co., specialize in giving to the consumer one thing... **Ohio Premium Beef**. Our beef meets strict *quality, consistency, and freshness requirements*.

**E.R. Boliantz Ohio Premium Beef** is flavorful and tender due to our traditional time honored dry chilling process, which produces the **"Best Beef Possible"**.

**"Best Beef Possible"** is more than a slogan; it is the guiding principle behind everything we do. This same principle regulates the methods we use and care given to each cattle. Only cattle meeting the most exacting standards are chosen for the **OHIO PROUD** program. Then in a diligent manner, the beef carcasses are judged and graded by the USDA. Only those carcasses that grade either USDA Prime, or Choice, can be stamped with the **OHIO PROUD** logo.

### **Strong Working Relationships Equals Quality for All**

For three generations, The E. R. Boliantz Co. has maintained strong working relationships with Ohio family farm beef producers. Our producers-suppliers are dedicated to producing a wholesome product. They have received extensive training on how to produce the finest beef by participating in such programs as

the ***Ohio Beef Quality Assurance Program*** and the ***Livestock Environmental Assurance Program***. They also work hand in hand with industry experts at ***The Ohio State University Department of Animal Sciences, the Ohio Agricultural Research and Development Center, and The Ohio State University Extension Services***, to ensure the production of high quality beef.

### **Guaranteed Wholesome Goodness**

We know you and your family will enjoy **E. R. Boliantz Ohio Premium Beef's** wonderful flavor, tenderness, and all-around wholesome goodness. When it comes to high quality beef, the best recommendations are made by word of mouth. So, please share with your friends and neighbors, what you know about **E. R. Boliantz Ohio Premium Beef – "The Best Beef Possible"**.

We thank you for your continuing support in our endeavor to promote and to enhance Ohio Agriculture, and the Ohio Beef Industry.
